Shop At Saks Dallas Galleria For Colleyville Woman's Club!

Saks Fifth Avenue has designated Colleyville Woman's Club to receive 5% of purchases made with a Saks credit card by our supporters in February 2012.

If you have shopping to do, please go to Saks and choose Colleyville Woman's Club as the beneficiary of your purchases. You can make your designation at the register when you check out and it will apply to all of your purchases for the entire month of February.

So get out there, shop Saks and support CWC!

THE POWER OF THE PURSE!

This is a fabulous opportunity for CWC to bring in significant charitable funds with minimal manpower and no overhead! We are one of only two charities in North Texas to be CHOSEN by Saks for this opportunity! Imagine if many of us each spend \$50 - \$100 at the **Saks Fifth Avenue Galleria store** during February on things we use or want anyway (cosmetics -- they are the same price at any of the department stores, accessories, shoes and, of course, fashions). Invite your friends, neighbors and CWC supporters, publish it on your social media pages, email your friends, talk to others -- that 5% really adds up! The Saks card is free of fees and you can register when you shop for bonus savings. Everyone using a Saks credit card will be asked at checkout which charity they wish to receive their 5% contribution.

Save the date! February 11, 2012
